[month, day, year]

Dear Taylor Gibbons:

I'm reaching out to apply for the bartender position at Xfinity Live. With over six years of experience as a bartender and server at high-volume establishments, I have a strong passion for the hospitality industry. During my time as a bartender at Barcade, I achieved satisfaction ratings of over 90% on exit surveys. I am confident I can achieve similar success in the bartender position.

Xfinity's reputation as one of Philadelphia's most prominent sports bars is what excites me about this opportunity. As an accomplished bartender, I thrive in fast-paced hospitality environments. I believe my expertise in guest relations would be an asset to your team based on my previous successes:

- Provided quality service to up to 150 patrons on a daily basis, mixed and upsold specialty cocktails based on guest specifications, and achieved satisfaction ratings of 90% to 93%
- Managed and restocked bar inventory, ensured compliance with sanitation and ServeSafe protocols, and maintained cleanliness standards
- Developed rapport with regulars and patrons to drive repeat business

I'd like to set up an interview to tell you more about how my bartending experience could help continue to improve guest satisfaction at Xfinity. Feel free to contact me via phone or email at your convenience. I appreciate your time and consideration.

Best regards,

Allison Rosenberg
