[month, day, year]

Dear Mr. Jackson:

I would like to apply for the head bartender position with Stampede Cocktail Club. During my time at Triangle Spirits, I designed, mixed, and sold innovative specialty cocktails. My efforts contributed to a 10% increase in liquor sales within one year. I believe my experience as a mixologist will allow me to generate similar results in the head bartender role.

Stampede Cocktail Club has a reputation for using creative pairings of ingredients to design cocktails. Throughout my bartending career, I've created numerous holiday-themed menu items that were well received by patrons. I'm confident my expertise in mixology can help your establishment continue to grow its reputation based on my previous achievements:

- Designed and mixed high-end cocktails during holidays and events using a wide variety of ingredients, such as a lavender mojito and blackberry dark and stormy
- Delivered exceptional service to over 100 patrons per day, upsold specialty drinks and menu items, and contributed to a 10% increase in liquor sales
- Trained five new bartenders on mixology, service standards, and inventory management

I'd like to set up an interview to tell you more about how my creativity as a mixologist can help Stampede Cocktail Club develop new and exciting cocktails for patrons. Feel free to contact me via phone or email at your convenience. Thank you for your time and consideration.

Sincerely,

Mina Sayed
