[month, day, year]

Dear Mr. Alvarez:

I'm interested in applying for the dental hygienist position with Allure Dental Practice that I found on LinkedIn. During my time with Bright Smiles Dental, I built and maintained positive relationships with a diverse range of patients, contributing to a 90% retention rate. I can achieve similar results for your practice in this role.

Allure Dental Practice's emphasis on patient education and preventative care is what draws me to apply for this opportunity. As a dental hygienist, I've continuously educated patients on the importance of at-home care to maintain oral health. Some of my previous accomplishments include:

- Performed hygienic, therapeutic, and preventive procedures on clinic patients, including cleaning teeth and gums using dental tools and equipment
- Provided education to patients on oral health and preventative techniques and achieved patient satisfaction ratings of 91% to 95% year over year
- Assisted dentist during examinations, communicated findings from initial examination, including potential symptoms of periodontal disease

I look forward to telling you more about how my expertise in patient education would be a strong asset to your dental practice. Feel free to contact me via phone or email at your convenience. Thank you for your time and consideration.

Best regards,

Amar Singh
