Dear Ms. Suarez,

In 2023, I increased my clinic's patient retention rate by 38% for patients on my roster. Customers cited my reassuring interpersonal style and superb treatment outcomes as their primary reasons for returning. I hope to provide the same high standard of care as a senior practitioner at Front Line Dental.

Your company's reputation of placing patient well-being at the center of its practice is the perfect match for my professional values. As a seasoned hygienist with over eight years of experience, the opportunity to serve my local community as part of your institution is exciting. My recent achievements include:

- Supported the development and implementation of a new patient education program that reduced cases of premature tooth loss by 34% over three years
- Managed patient anxiety through pleasant demeanor, education, and empathy and introduced an innovative cleaning approach to reduce patient discomfort
- Achieved patient satisfaction scores of up to 96% and contributed to a 93% patient retention rate

I would like to schedule an interview to provide more insights into how my passion for dental care would be a strong asset to your team. Feel free to contact me via phone or email at your convenience. Thank you for your time and consideration.

Best regards,

Sarah Johnson
