Dear Mr. Jackson,

As you can see from my attached resume, I have over nine years of experience working as a dental hygienist at some of the top-rated practices in San Diego. Throughout my career, I've consistently maintained patient satisfaction ratings of over 95%. I'm confident my expertise in patient care would be a strong asset to your practice in the senior dental hygienist role.

Smile Right Dentistry's focus on alleviating patient anxiety during dental procedures strongly aligns with my professional background. In my previous position, I utilized innovative cleaning techniques to reduce patient discomfort. Below is a list of my career achievements:

- Built positive relationships with patients, communicated empathetically to reduce anxiety during complex and routine procedures, and achieved a 95% patient satisfaction rating in 2023
- Delivered compassionate, high-quality dental care to a broad range of patients, provided education on dental hygiene, and communicated with patience and understanding
- Performed dental exams and interpreted diagnostic and panoramic X-rays and digital imaging to identify signs of cavities and decay

I look forward to speaking with you further about how my experience in dental care can maximize patient satisfaction at Smile Right Dentistry. Feel free to contact me via phone or email at your convenience. I appreciate your time and consideration.

Best regards,

Melissa Anderson
