Dear Ms. Nguyen,

Last year, I created a client referral scheme that boosted my bookings by 43% in a single fiscal quarter. My high-quality portfolio and talent for building a quick rapport with clients helped me achieve this result. I look forward to generating impressive revenues as a freelancer at Classic Photographers.

As a creative professional with over two years of experience shooting weddings, I am drawn to Classic Photographers's reputation for superb customer service. My passion for combining cutting-edge techniques with diligent client care makes me the ideal fit for your company. My recent accomplishments include:

- Leading a team of three newly-graduated photographers to shoot a week-long wedding celebration in Bali
- Receiving a 100% client satisfaction rating in 2023
- Consistently scoring in the top 2% of photographers at my agency for image quality and efficiency

Please get in touch to arrange a suitable interview appointment. I look forward to exploring how I can leverage my skills to create unforgettable memories for your wedding clients.

Sincerely,

Derek Smith
