Dear Ms. Turner,

For the past decade, I have been working to improve my craft. I am constantly challenging myself to incorporate new styles and mediums into my art. As a result, I feel that I am more than qualified to fulfill the duties and responsibilities as an artist at ArtCo.

Most recently, in my role as the senior artist at Art Home, I have been a key contributor in developing art programs for the community and ensuring a high-quality work environment for all employees. Some of my proudest accomplishments include:

- Creating an after-school art class for low-income children that achieved a 95% satisfaction rate, according to surveys
- Introducing sustainable art materials to help the business become more environmentally friendly
- Developing an art supply donation program to reduce waste by 30%

As you can see, I am a dedicated artist who would thrive at ArtCo. My passion for art, interest in serving the community, and experience with a variety of projects make me an outstanding candidate for this position. I look forward to hearing back from you.

Sincerely,

Micah Smith
