Dear Mr. Santos:

I'm interested in applying for the carpenter position with Rothman Carpentry that I found on LinkedIn. I have over seven years of experience as a professional carpenter creating custom furniture and cabinets. From CAD designs to procuring the correct materials and ensuring alignment with the client's vision, I'm involved in every aspect of the creation process. I'm excited to bring my skill sets to your organization.

Rothman Carpentry's reputation as an industry leader in residential construction is what draws me to apply for this opportunity. As an award-winning carpenter, my unique background can help grow your company's recognition based on career achievements:

- Designed and built the bar fittings and furnishings for the new Boston Harbor Pub, which received a nomination in the 2023 Canstruction Boston Awards
- Delivered pitches and presentations for new carpentry designs to over 37 corporate clients, which contributed to a 25% increase in annual revenue
- Maintained and repaired historical structures using authentic materials and techniques to respect their unique features

I would like to schedule an interview to provide more insights into how my innovative carpentry designs can help your organization continue to excel. You may contact me via phone or email for any additional questions you may have about my background.

Best regards,

John Bergsen
