Dear Ms. Taylor:

During my second year of employment with Rosenthal LLP, I achieved favorable outcomes for 80% of cases on my roster. My firm partners recognized my exceptional knowledge of family law and outstanding witness preparation skills. I can leverage these attributes to achieve positive results for your clients in the family law specialist position.

Halsin Law Associates' reputation for client advocacy strongly aligns with my values as a legal practitioner. My expertise in navigating complex family law cases can help further grow your firm's recognition for client service and excellence. Some of my recent achievements include:

- Represented and advised clients during over 100 cases in matters involving civil litigation with a focus on divorce proceedings, parental rights, adoptions, child custody, and property disputes
- Conducted research for complex litigations, developed comprehensive legal strategies, and achieved favorable outcomes in 80% of cases in 2023

- Built and maintained strong relationships with clients and communicated legal advice and status updates with empathy and compassion during emotionally challenging cases

I would like to schedule an interview to provide more insights into how my knowledge of family law can benefit your firm. Feel free to contact me via phone or email at your convenience. I appreciate your time and consideration.

Best regards,

John Bergsen
