**Cynthia Roberts** Boston Veterinary Hospital 123 Your Street, Houston, TX 12345 (123) 456-7890 example@youremail.com

[month, day, year]

Dear Ms. Roberts,

With over five years of experience as a veterinary receptionist, I have an extensive strong background in pet care and animal hospital operations. At North Bay Veterinary Group, I coordinated appointments and drove operational excellence across the clinic to ensure the efficient delivery of patient care. I am confident that my background within the health care space would be a strong asset to your organization in the veterinary receptionist position.

Boston Veterinary Hospital's reputation for its holistic approach to patient treatment and animal welfare draws me to apply for this position. My passion for delivering compassionate pet care and improving the quality of life for animals has driven me to pursue my career within the veterinary industry. I can help your organization continue to grow this reputation for excellence based on my career achievements:

- Managed patient appointments, triaged phone calls, supported hospital operations, and coordinated with medical teams to ensure efficient delivery of patient care, which resulted in an average customer satisfaction rating of 92%
- Utilized knowledge of veterinary terminology to educate clients on treatment plans, antibiotics, medical conditions, and prevention of heartworms and fleas
- Performed data entry during patient intake and discharge, managed invoices and billing, and interfaced with clients to create payment plans for health care services

I hope to speak with you further regarding how my experience as a receptionist within the veterinary field can help drive operational excellence for your animal hospital. Feel free to contact me via phone or email at your earliest convenience. Thank you for your time and consideration.

Sincerely,

Melissa Anderson
