[month, day, year]

Dear Ms. Lori Taylor,

I'm a part-time college student with over three years of experience delivering child care services to parents and families. After noticing your advertisement for the babysitter position on Care.com, I feel I would be a great fit for your son Joshua. I take great pride in caring for children and helping to facilitate their personal growth and development.

Having a younger brother with autism, I have tremendous empathy and understanding for the challenges your son experiences. Also, I have a background in providing care to special needs children. I can accommodate your unique needs based on my prior experience:

- Delivered ongoing child care to four children between the ages of three and 11, supervised after-school activities, and maintained a safe, clean, and healthy environment
- Transported children to appointments and supervised field trips to local parks, movie theaters, museums, and community events
- Prepared nutritious meals and snacks for children according to dietary needs and restrictions

I hope to schedule an interview with you to further discuss my background in child care. Please feel free to contact me via phone or email at your earliest convenience. Thank you for your time and consideration.

Best regards,

Aliya Jackson
