[month, day, year]

Dear Ms. Roberts,

I'm a high school senior with over four years of experience creating safe and engaging environments for children between the ages of three and eight. I recently saw your advertisement for the weekend babysitter position, and I'm sure I would be a great fit for Daniel and Joyce.

Over the past four years, I have delivered child care to three families. As a trained piano player, I've provided basic lessons to children to keep them engaged and expand their cultural horizons. I can deliver similar services to aid the early development of your children based on my diverse experience in child care:

- Planned engaging and educational activities, including music lessons, art projects, creative writing, nature walks, and tutoring lessons for school subjects
- Ensured a safe and clean environment for children, prepared balanced and nutritious meals, and communicated with parents to address concerns and behavioral issues
- Built positive long-term relationships with children and families

I look forward to scheduling an interview to further discuss my background in child care. Feel free to contact me via phone or email at your earliest convenience. Thank you for your time and consideration.

Best regards,

Skyler Thompson
