[month, day, year]

Dear Mr. Johnson,

With over eight years of experience as a camp counselor, I've spearheaded DEI initiatives to enhance programming and outreach. Throughout my career, I've led efforts to build safe and inclusive learning environments, allowing children of all backgrounds to grow and excel. I can provide valuable contributions to your team as the camp counselor lead.

Camp Galileo's reputation for utilizing innovative teaching strategies and active learning approaches draws me to apply for this opportunity. Hands-on learning needs to play an integral role in camp programs to facilitate cognitive development and social growth. Below, you'll find examples of my past successes:

- Collaborated with leadership to plan engaging activities and enhance camp programs using active learning strategies, resulting in a 35% increase in camper retention
- Established safe and inclusive learning environments for children of all backgrounds, monitored behavior, resolved conflicts, and utilized positive reinforcement techniques
- Provided training and support over 15 camp counselors in behavior management, activity planning, and conflict resolution techniques

I look forward to speaking with you further regarding the camp counselor position. Feel free to contact me via phone or email for any additional questions you may have about my background. I appreciate your time and consideration.

Sincerely,

Jason Hart
