[month, day, year]

Dear Ms. Smith,

I'm interested in applying for the assistant manager position with Sprouts Farmers Market. Over the past two years as an associate manager at Whole Foods, I've successfully reduced turnover rates by 5% and improved employee engagement by 16% on company surveys. I'm confident my leadership experience within the grocery space will allow me to achieve similar success for your organization.

Sprouts Farmers Market's reputation for empowering and developing team members draws me to apply for this opportunity. As a leader, I believe that establishing work cultures centered on collaboration and inclusion is essential for driving positive business outcomes. I can provide valuable contributions to your team based on my achievements in the following areas:

- Delivered training and created performance management plans for over 150 employees and streamlined the onboarding process, resulting in a reduction of 12 work hours per week
- Coordinated with the store manager to enhance communication processes and team collaboration across all departments, contributing to a 6% increase in annual customer satisfaction scores
- Reduced employee turnover rates by 5% and improved employee engagement by 16%

I look forward to telling you more about how my management experience can be an asset to your organization. Feel free to contact me via phone or email for any additional questions about my background. I appreciate your time and consideration.

Best regards,

Raheem Richardson
